SUMMARY

Learning new languages and technologies is what I am passionate about. I am considered a team player because I like to help others and tend to work well within groups. I can also do some mentoring tasks and do code reviews for other team members. I like helping others and work well with a group.

During the covid pandemic in Vietnam, I learned RestAPI and ReactJS and implement a project, after learning, I led my team on the project and applied this knowledge to the project in real-time throughout the pandemic.

TECHNICAL SKILLS

- **Programming Languages**:
  - C#.NET, JavaScript
  - HTML5, CSS3
- **Frameworks/ Platforms**:
  - ASP.NET MVC, Web API
  - ReactJS, NodeJS
  - Entity Framework
  - jQuery, Bootstrap
- **Database Management Systems**:
  - MS SQL Server, MySQL, MongoDB.
- **Knowledge**:
  - Understanding about OOP.
  - Understanding about RESTApi.
  - Understanding about software design, database design, firebase, …

- **Soft Skills**:
  - Time management
  - Honesty
  - Creativity
  - Teamwork

EDUCATION

UEF University Ho Chi Minh (Vietnam)   From 05/2018 to Present
- Studying Software Engineering.

PASTIMES

- I am keen on improve myself , In my free time, I work on some project. My favourite programming languages are: ASP.NET MVC, JavaScript.

HONORS & AWARDS

- 4th prize - Faculty-level scientific research (June 2020) - A university-wide game about scientific research at UEF.

PROFESSIONAL EXPERIENCE

UEF University (Vietnam)   09/2021 – PRESENT
Position: PM - Fullstack
Developer Project:
DIGI ME - SCSE

- **Project Description**: DIGI ME SCSE is a project of a non-governmental organization in operation within the field of social sciences as a proper place to share and pass around data to the general public and donors.
